### Checklist: What to do if a wildfire is approaching

- Park vehicles facing outward.
- Put valuables, important documents and essentials, such as medications, in your vehicle.
- Keep keys where you can find them.
- Close shutters, windows, heavy drapes and fireplace dampers.
- Remove thin drapes and other flammables near windows.
- Turn on outside lights and leave some inside lights on.
- Turn off gas at meter or propane tank.
- Safely make your way out of the area.
- Drive with headlights on.
- Provide defensible space around structures for a distance of at least 100 feet.
- Clear flammable materials from rain gutters and roof.
- Trim tree branches at least 10 feet from chimney.
- Clear at least 10 feet around propane tanks.
- For more information on legal requirements, see www.firedepartment.org.
- Replace flammable vegetation with less flammable plants.
- Use fire-resistant materials for roofing and siding.
- Move wood piles away from house.
- Make sure your water tank is full and the hydrant is accessible and marked with a blue reflector.
- Have garden hose and ladder available that will reach the roof.
- Locate escape routes and Temporary Refuge Areas (See map inside).
- Have an escape plan; Know where to meet your family.
- Choose an out-of-area friend or relative as a check-in contact; Write their phone number on the phone list inside.

### Go!

- Citizens may be notified by fire personnel and/or law enforcement personnel if evacuation is necessary.
- Safely make your way out of the area; If unable to evacuate completely, go to the closest Temporary Refuge Area (See map inside).
- The Red Cross will establish evacuation centers.
- If evacuated, contact the Red Cross to provide information about your status so that family or friends can be informed.
- After an area has been evacuated, the area will remain closed until the threat has passed.
- **MOST IMPORTANTLY**, if you feel unsafe, don’t wait; follow the checklist items and Get Out!!
**If You Become Trapped**

* Stay inside until the fire passes
* Close all windows
* Keep all doors closed, but unlocked
* Remember, if it gets hot inside your house, it will be much hotter outside

**In your car:**
* Park away from vegetation
* Roll up windows
* Cover mouth with dry cloth to protect airway
* Cover yourself with a blanket or jacket
* If the vehicle catches on fire, exit after the wildfire has passed

**On foot:**
* Find an area away from vegetation
* Lie face down
* Cover mouth with dry cloth to protect airway

**After the Fire Passes**

* Check the roof and exterior of your home, extinguish all sparks and embers
* Check your attic for hidden embers
* Check your yard for burning wood piles, trees, fence posts and other materials

**Returning to Your Home**

* Emergency Managers will decide when it is safe to return
* Information will be available through the media, at road blocks, shelters, the CAL FIRE information and www.firedepartment.org
