MEMORANDUM

Date: September 24, 2009

To: Board of Directors

From: Robert Leete, Administrative Services Director

Background:

Pursuant to the bylaws of the San Ramon Valley Fire Protection District Financing Corporation, the agency must convene an annual meeting. This meeting allows for the dissemination of important information and the completion of any necessary business for the efficient operation of the corporation.

Enclosed for the Board’s information is a summary of the revenues and expenditures of the financing corporation for the recently completed fiscal year. Project expenses for Stations 31, 32, 36, 36 apparatus storage and Station 37 have exhausted the remaining proceeds of the 2006 certificates of participation.

Staff is exploring the opportunity to use the financing corporation as the financing conduit for the balance of the Station 36 Apparatus Storage Building, acquisition of new engines/ambulances and the construction of Station 32. Should this be determined to be a feasible alternative, staff will present a comprehensive financing plan for the Board’s consideration.
