Subject: Approval of Contract with Garland/DBS, Inc. for Station 31 Roof Replacement in an Amount Not to Exceed $450,000

**Background:**

Station 31 on San Ramon Valley Blvd. in Danville houses both a fire station and the San Ramon Valley 911 Communications Center. The building has experienced significant, and costly, ongoing maintenance problems with the roof for a number of years; and is currently in need of additional work to deal with water leaks experienced last rainy season. After extensive evaluation, it has been determined that the best and least costly long-term solution would be to completely remove and replace the entire roof. This would be in lieu of another “fix” that could potentially cost several hundred thousand dollars, but fail to address the underlying causes of the leaks.

Through our association with Platinum Roofing, a local contractor we’ve used on other District facilities, we have identified a reputable and reliable contractor, Garland/DBS, Inc., for the Station 31 roof project. Garland has submitted a proposal to replace the roof at Station 31 for an amount not to exceed $448,632. The pricing was established pursuant to a Master Intergovernmental Cooperative Purchasing Agreement (MICPA) with Cobb County, GA and U.S. Communities. The District is a member of the U.S. Communities purchasing consortium and has used this method of purchasing in order to obtain best pricing and reduce the administrative time and cost associated with the public procurement process. Platinum Roofing would be the local subcontractor to Garland/DBS actually performing the onsite work.

The recently approved Capital Improvement Plan (CIP) contained a budget of $310,000 for the Station 31 roof project, so additional CIP funds would need to be allocated for the enhanced scope of work.

**Recommended Board Action:**

Staff recommends the Board authorize the Fire Chief to execute the attached contract with Garland/DBS, Inc., for replacement of the roof at Station 31 in an amount not to exceed $450,000; and to allocate an additional $140,000 of CIP funds for the project.
CONTRACT FOR
JOB # 25-CA-180714

BETWEEN SAN RAMON VALLEY FIRE PROTECTION DISTRICT AND
GARLAND/DBS, INC. FOR THE FIRE STATION #31 ROOFING PROJECT.

1.) This CONTRACT is made at Cuyahoga County as of June 28, 2018, ("Effective Date"),
by and between the San Ramon Valley Fire Protection District located at 800 San
Ramon Valley Blvd, Danville, CA 94526 (hereinafter designated the “CUSTOMER”),
and Garland/DBS, Inc., located at 3800 East 91st Street Cleveland, OH 44105
(hereinafter designated the “CONTRACTOR”).

2.) The CONTRACTOR shall furnish all material, labor, equipment, and tools necessary for
the Two Ply Roofing Project located at 800 San Ramon Valley Blvd, Danville, CA
94526, as well as all work incidental and pertinent thereto, (hereinafter designated the
“Project”) all in accordance with the original proposal # 25-CA-180714 dated 6/28/2018
submitted by the CONTRACTOR (hereinafter together designated the “Specifications”), a
copy of which is attached hereto as Exhibit A and incorporated herein. In the event of any
conflict, ambiguity, or inconsistency between the terms contained in this CONTRACT and
the Exhibits, the terms set forth in this CONTRACT shall govern and control.

3.) The term of the CONTRACT shall begin on the Effective Date first written above, and
shall be completed 200 days thereafter, unless sooner terminated as permitted herein, or
unless extended by agreement of the parties set forth in writing. The work shall commence
within ten (10) days from the date that CONTRACTOR receives a copy or original of the
fully executed CONTRACT, which receipt shall be considered Notice to Proceed. The
CONTRACTOR is required to submit to the CUSTOMER a Certificate of Insurance and
Performance and Payment bonds prior to commencing work. In addition, the work shall be
scheduled as agreed upon by the parties.

4.) The sums to be paid to the CONTRACTOR shall be at the bid price(s) shown on the
Specifications (Exhibit A), and the total to be paid to CONTRACTOR shall be a maximum
of $448,632.00, as set forth in the purchase order and Exhibit A. Invoices shall provide
details of all Project expenses as permitted in this CONTRACT. CONTRACTOR shall
apply no late charges, interest or penalties to any invoice or charges for services until 30
days from the CUSTOMER receipt of the invoice. If this CONTRACT is terminated for
convenience for any reason, then the CONTRACTOR shall be paid pro rata for all services
performed, materials purchased, and administrative costs incurred, including lost profit, to
the effective date of termination.

5.) If the CUSTOMER wishes to terminate the CONTRACTOR for cause due to the failure of
CONTRACTOR to perform as required under this CONTRACT and/or in a manner
consistent with the degree of care and skill ordinarily exercised by members of the same
profession currently practicing under similar circumstances, then the CUSTOMER must
provide the CONTRACTOR with written notice of said failure to perform. The
CUSTOMER must give ten (10) working days from the CONTRACTOR’s receipt of the
Notice to Cure for the CONTRACTOR to cure or take reasonable action to commence to
cure the performance concerns specified. If the CONTRACTOR does not take appropriate
action within the ten (10) day period, the CUSTOMER may issue a Final Notice to Cure.
The CONTRACTOR will have an additional five (5) working days from the receipt of the
Notice to Cure to cure or take reasonable action to commence to cure before the
CUSTOMER can terminate the CONTRACT. If the CONTRACTOR is terminated for
cause, the CUSTOMER may provide or employ any necessary labor and materials in lieu
of CONTRACTOR to finish part or all of the work under the CONTRACT or to
supplement the work of CONTRACTOR, and to deduct the cost thereof from any money,
then due or thereafter to become due to the CONTRACTOR; and if such cost shall exceed
the balance due to CONTRACTOR, then the CONTRACTOR shall pay the difference to
the CUSTOMER.

6.) CUSTOMER may issue subsequent modifications to the Purchase Order(s) for additional
work that was not known or included in the Specifications that is found to be needed during
the work on the Project to complete the Project over and above the amount set forth in this
paragraph four (4) and in Exhibit A. CONTRACTOR must seek approval from the
CUSTOMER before performing any additional work. The CUSTOMER must provide the
CONTRACTOR written documentation of the modification to the Purchase Order within
three (3) business days of verbal approval. CONTRACTOR is not obligated to perform
additional work until written modification has been received from the CUSTOMER, but
may commence work based upon a reasonable assumption that written modification will be
issued. Incidental additional work performed by the CONTRACTOR without
CUSTOMER consent will be evaluated and considered for payment based upon the work’s
merit. If the CUSTOMER determines the incidental additional work was not included in
the original scope of the project and required for the CONTRACTOR’s uninterrupted
performance in fulfillment of the contract, then the CUSTOMER will approve the
CONTRACTOR’s request for payment for incidental additional work.

7.) All the work done under this CONTRACT shall be performed under the oversight of
____________________________, the CUSTOMER’S representative. All notices
hereunder shall be (a) in writing; (b) delivered to the representatives of the parties at the
addressees set forth in the Specifications, unless changed by either party by notice to the
other party; and (c) effective upon receipt.

8.) The CONTRACTOR shall furnish the CUSTOMER with a performance or contract bond
and a labor and material bond, each in the amount of $448,632.00 a Certificate of Workers’
Compensation, and a Certificate of Insurance evidential of comprehensive general liability
insurance and property insurance with minimum coverage in amounts reasonable to or
exceeding what is normally expected for a comparable project in size and scope. Further,
said Certificate of Insurance shall name San Ramon Valley Fire Protection District as an
additional insured. Said Certificate of Insurance shall also provide that at least thirty (30)
days written notice shall be given to the CUSTOMER of any material change in, or
Cancellation of, said Insurance.
9.) Should the CONTRACTOR at any time refuse or neglect to supply a sufficiency of properly skilled workers or materials of the proper quality, or fail in any respect to prosecute the work herein described with promptness and diligence, or fail in the performance of any of the agreements contained herein, the CUSTOMER shall have the right to immediately suspend all work, or any part thereof under this CONTRACT, upon the CUSTOMER’s issuance of a stop work notice to the CONTRACTOR and the CONTRACTOR’s confirmed receipt of the stop work notice. The work shall continue to be suspended until such time as the CUSTOMER and CONTRACTOR have come to a mutual agreement on how the work under the CONTRACT shall proceed. Should the CONTRACTOR continue to refuse or neglect to supply a sufficiency of properly skilled workers or materials of the proper quality, or fail in any respect to prosecute the work herein described with promptness and diligence, or fail in the performance of any of the agreements contained herein, then the CUSTOMER may, after following the procedures listed in Section 5 above, terminate the CONTRACT for cause.

10.) The CONTRACTOR shall indemnify, save harmless, and defend the CUSTOMER from and against all losses, claims, demands, payments, suits, actions, recoveries, and judgments of every nature and description, made, brought, or recovered against the CUSTOMER by reason of any negligent act or omission of the CONTRACTOR, its agents, its subcontractors, or its employees, in the execution of the work herein contracted for.

11.) The CONTRACTOR or CUSTOMER has the right to request and be granted a Termination for Convenience from the CONTRACT obligations if there is a joint determination from both the CUSTOMER and the CONTRACTOR that the termination is in the best interests of both parties, or if the CONTRACTOR or CUSTOMER believes the Termination for Convenience to be in its best interests because a timely resolution, within ten (10) days from the CUSTOMER’S receipt of written notification, will not be provided with regard to requests for information (RFI), request for clarification, or requests for modification to the Purchase Order(s) due to differing site conditions, vague Specifications, or unforeseen circumstances. Under a Termination for Convenience, the CONTRACTOR or CUSTOMER shall be reimbursed for all justifiable costs including price of supplies, services delivered, and administrative expenses, including lost profit under the CONTRACT or Purchase Order.

12.) This CONTRACT shall be deemed to contain all the terms and conditions agreed to between the parties, who both agree that no representations or promises of any kind whatsoever have been made other than herein contained, and this CONTRACT shall be binding upon both parties and their respective heirs, administrators, executors, successors, and assigns.

13.) This CONTRACT is contingent upon receipt of a written purchase order from CUSTOMER. All terms must be agreed upon by both parties.

14.) CUSTOMER shall have the right to approve all subcontracts or assignments of work equal to or exceeding $10,000. CUSTOMER shall not unreasonably withhold, delay or condition subcontracting or assignments, but may express final and binding disapproval of a
proposed assignee or subcontractor. Should the CONTRACTOR be forced to choose a different subcontractor/assignee that is of higher cost than the initial subcontractor/assignee, due to the CUSTOMER’s disapproval, the CONTRACTOR shall be able to request and will receive approval from the CUSTOMER for a modification to the CONTRACT to cover the additional cost. CONTRACTOR shall remain responsible for the work of any agent or independent contractor to whom it assigns its Work, and any assignment or subcontract shall incorporate the terms of this Contract into its contract delegating its Work.

15.) If the Project involves construction of a public improvement at a cost exceeding the threshold for payment prevailing wage rates of pay, each laborer, workman or mechanic employed by the CONTRACTOR for performance of the Project herein described or by the subcontractor shall be paid not less than the minimum rate of pay for the applicable pay classification. The CONTRACTOR and their subcontractors who are subject to the requirements of paying prevailing wages shall keep full and accurate payroll records covering all disbursements of wages to their employees to whom they are required to pay not less than the prevailing rate of wages. The CONTRACTOR and its subcontractors shall deliver to the CUSTOMER a certified copy of their respective payrolls, within two weeks of the CUSTOMER’s request, for each pay period requested by the CUSTOMER.

16.) Payments to the CONTRACTOR shall be made at the rate of ninety-five percent (95%) of the approved partial payment estimate for each monthly progress billing. The CUSTOMER will retain five percent (5%) of every approved partial payment. The retained amount will be paid to the CONTRACTOR no later than thirty (30) days following Final Acceptance of the work. Upon completion and acceptance of the work, the CUSTOMER shall issue a certificate attached to the final payment request that the work has been accepted by it under the terms, promises and conditions of the CONTRACT.

17.) CONTRACTOR has been employed under this Contract as an independent contractor in order to construct its portion of the Project. CONTRACTOR agrees that no authority has been conferred upon it by CUSTOMER to hire any person(s) on behalf of CUSTOMER, and CUSTOMER undertakes no obligation of any sort to CONTRACTOR's employees or subcontractors. It is understood and agreed that the CONTRACTOR shall select, engage, and discharge its employees, agents, or servants and otherwise direct and control their services. CONTRACTOR will also comply with all laws concerning qualification to do business and engage in the work involved under this CONTRACT and will file all returns and reports required of it and pay all taxes and contributions imposed upon it.

19.) The CUSTOMER shall not be considered to have accepted possession of the work under this CONTRACT until a notice of completion is issued to the CONTRACTOR by the CUSTOMER or CUSTOMER’s representative, or payment of the full CONTRACT compensation is received by the CONTRACTOR, unless the Parties otherwise mutually agree.
