7.4 Open Public Hearing as set forth in the annual exterior hazard abatement program for the purpose of receiving public comment to show cause why exterior hazard abatement orders should not be enforced.

8. NEW BUSINESS

8.1 Consider transferring the District’s share of proceeds from the sale of land held by the former Danville Redevelopment Agency from the General Fund to the Capital Projects Fund. The transfer of the $433,653.52 in proceeds would reduce the unencumbered, unassigned balance in the General Fund; and would more appropriately allocate one-time money for a one-time use.

8.2 Discussion and possible adoption of 2016-17 Annual Operating Budget and Capital Improvement Program. The 16/17 Proposed Budget can be found on the District’s website at: http://www.firedepartment.org/civica/filebank/blobdload.asp?BlobID=4231

8.3 Consider authorizing staff to enter into an agreement with DNI to provide PCR evaluation services to all District PCRs generated over a limited trial period of six (6) months, for an amount not to exceed $4,800 per month. The proposed EMS budget for FY 16-17 includes sufficient funding for independent PCR review services during the trial period. Services would not commence until after July 1, 2016.
